Julu Lu 748, Shanghai

You're cordially invited to the official Shanghai NemoTeam launch!

Participating in the local NemoTeam and the global community gives you an insider's view into what is being done about climate change around the world.

Meeting programme:

- Welcome and words about Nemo
- Making ecology work for your business
 - Finnair, your eco-friendly airline
 - URBN Hotels, CleanTech Finland and others
- Shanghai NemoTeam common goals
- Discussion
- Buffet and drinks

Nemo comes from the words No Emission Monday. Nemo is a global green business platform, where you can network, share information, and create new business. Nemo comprises strong local NemoTeams around the world, social media, the virtual NemoCloud community, and NemoBazaar, a business platform for companies. We welcome private citizens, companies, and other interest groups to join Nemo. Our goal is to stop climate change through appropriate actions and to create new business around ecological principles.

Main sponsor of Nemo Shanghai is THE FAST AIRLINE BETWEEN ASIA AND EUROPE
